CORDS & CABLES

Perfect For Corporate Sector And Business Applications.

- Our product is tailored specifically for corporate environments, delivering reliability, efficiency and scalability.
- A corporate-grade solution that enhances productivity and performance.
- The smart choice for corporates seeking quality, consistency, and results.

HITECH ENTERPRISE has been a trusted name in the IT industry since 2007. We specialize in importing high-quality computer cables and accessories under our own brand, **Ultima Cords & Cables**.

With a strong focus on **reliability, performance and value**, Ultima products are designed to meet the everyday needs of **businesses and consumers** alike. Our long-standing **industry experience, consistent quality standards and customer-centric approach** have helped us build strong and lasting relationships across the market.

Today, we work with over **150 partners** and **supply our products across India**. We proudly serve major corporations, including **corporate offices, industrial enterprises and government organizations**, delivering dependable technology solutions they can trust.

At **HITECH ENTERPRISE**, we remain committed to **quality, consistency and long-term partnerships**.
